

**HIGH VELOCITY SPORTS
46245 MICHIGAN AVE.
CANTON, MI 48188**

March 31, 2020

In compliance with state officials, High Velocity Sports will be closed for business until April 30, 2020 due to the COVID19 crisis. The situation is changing daily and we will follow the guidelines set forth by our governing bodies to provide the utmost safety for our guests and employees. All clinics, leagues, camps, rentals, and events have been postponed.

In the meantime, HVS will continue to provide free lunches for anyone in need from 11:00am-1:00pm, Monday-Friday on a week to week basis. Cars can pull up to the front door and a sack lunch or lunches will be delivered to the vehicle. Each lunch will consist of a peanut butter and jelly (or jelly only) sandwich, a bag of chips, a piece of fruit, and a juice box.

The lunch program is an effort to help support the very communities that have supported HVS for the past 20 years and is NOT limited to Canton residents. Instead, it is open, like all of our programming to everyone.

Please feel free to email elaine@hvsports.com with any questions. We wish everyone health and strength during this difficult time.
